**HOW TO PLAY**

Drive your car by operating shift lever, accelerator and brake avoiding to crash against other cars and motor bikes. Pass a check point of tunnel as early as possible and go to the next stage. When the fuel meter turns zero, the game is over.

**STAGES:**
This game consists of six stages; coast road, forest, desert, countryside, night city and snowy area.

**OPPONENTS AND OBSTACLES:**
Your car explodes and the fuel drastically decreases when you collide with other cars, motor bikes or such obstacles as street lamps, wood and signboards.

**BONUS POINTS:**
Bonus points and extra fuel will be given when you take a gas.

---

**Self Test**

(a) How to start
- Turn on the SW3 of the DIP SW3.

(b) Test Items
- Conditioning of Picture Contortion
- Color Conditioning
- Control Check
- Coin Counter Check
- DIP SW SETTINGS
- Sound Check

※ To change items, step on the accelerator.
